

Guten Tag!

Wayne and I want to share our trip with you so we have put together a few postcards. This is our first postcard with photos of Munich and surrounding areas. The second postcard we will send will include photos of our train ride from Munich to Rome. The third postcard will include photos taken on our first day in Rome.

We hope you will enjoy traveling with us.

Danke.

Outside the Hofbrauhaus - the ultimate Biergarten.

The Glockenspiel in Marienplatz. Figurines of dancers appear at noon and dance to the sound of German bells. At the end of the dance, a rooster begins to move his wings and crows.
